**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am an individual consumer who supports broadband competition. I want to see that the current regulation be maintained so that massive price hikes by the big telephone companies can be avoided. I have been using a competitive provider (SONIC) for almost five years and have been very happy with its service and prices. I have heard horror stories about the big companies. I love having a real choice!
